

Pre-Employment Transition Services

April Vacation with Triangle, Inc.

Join Triangle's Pre-ETS over April vacation for 2 exciting in-person opportunities! Travel Training Safety with Triangle's IMPACT department and a light manufacturing internship. Join us for one or both opportunities!

Workforce Readiness Training

IMPACT: Ability Travel Training Safety & Self-Protection Sessions!

One of the biggest barriers to employment is transportation. Join us for in-person classes at Triangle to learn basic safety strategies for traveling on public transportation and out in the community. Students will have the opportunity to practice safety skills in realistic scenario-based training.

IMPACT Travel Training will be **Tuesday, April 18th & Thursday April 20th from 9:00am - 11:00am.**

Work-Based Learning Experience

Triangle will be offering light manufacturing internships where students will be assembling travel kits for a local travel company. This is a paid work opportunity.

- Students will be expected to take tasks seriously and produce to standard
- Students will be supervised and supported to an extent, but will need to work independently
- Students must be able to follow instruction
- Students must be able to work for 4 hours to be successful
- Students will be given a paid 15 minute break in which they can have a quick snack
- Students will be expected to follow COVID-19 safety protocols, which they will be introduced to and trained on

April vacation internships will be **Tuesday April 18th - Thursday April 20th from 10:00am - 2:00pm.**

You are welcome to participate in both the Travel Training sessions and the Internship. On days of Travel Training sessions students can join the internship after class.

Both opportunities will be held at Triangle's Workforce Development office at:
157 Pleasant Street, Malden, MA 02148
